Mr. K.M. Basheer was granted a mining lease on 5-12-1939, over an extent of 259-37 acres for a period of 30 years. He now requests that the lease may be transferred in the name of Dharamsey.M.Khatau Esquire of Bombay, who wants to work the mine successfully with upto-date plant and machinery. Under rule 50(3) (vii) the lessee has deposited Rs. 50/- the fee required for the transfer of the deed, and requests that the transferee may be allowed to enter into an agreement in the form prescribed in Appendix K in chapter VIII of the mining manual, a copy of which is enclosed. the proposed transferee is a holder of a certificate of approval which is in force till 31-12-1940 please see page 1279 part II of the Fort St. George Gazette dated 5th December 1939. In this connection, I invite your attention to the Board's orders in B.P. Routine No. 3038 dated 6-7-1939, in which the Collector's order of refusal to renew the certificate of approval of the lessee was set aside and his certificate of approval renewed for 1939, holding that the lessee is a qualified mining geologist with some years practical experience in mining, and Messrs. Elasboo Periera and ons of Marmogoa are prepared to finance him, in working he concern. Further in B.P. Mis. No. 2127 dated 1-8-39 he Board sanctioned the grant of a mining lease for a

a period of 30 years to the lessee over an extent of 250 acres . Now Mr. K.M. Basheer instead of seeking the financial help of Messrs. Elasboo ~~xxx~~ Pereira and Sons of Marmogoa, has sought the help of Sri. Dharamsey, ~~Mr~~ M. Khatau of Bombay, who insists on the lease being transferred to him as abundant security for his investment.

2. I enclose the applications of the lessee and the proposed transferee for the sanction of the Board.

During the period for which I held the prospecting licence I have prospected and located commercially workable deposits of Manganese ore. I have also worked the mine and excavated 3875 tons of merchantable ore as estimated by the Tahsildar of Kudligi.

I submit in conclusion that it will be not only in my interests but in the interests of the Government as well, if the transfer prayed for is effected in order that the mine may be worked on a large scale. There are now prospects of a boom in the manganese industry and a large scale working of the mine will certainly be beneficial not only to me and to the transferee but to the Government as well. I shall be thankful if you will kindly treat this matter as urgent and effect the transfer at an early date to enable me to have full advantage of the manganese market.

(2) My deposit of Rs. 500/ may be transferred to Mr. D.M.Khatau and treated as de made by him in this connection.

To As (Sch)

K.M. Basheer of Bellary was granted in August 1939 a mining lease for manganese for a period of 30 years over an extent of 259.37 acs. The draft lease deed was approved by the Board in November 1939. In first sentence of the Coll's letter at p1 c/r, it is stated that the deed was executed by the lessee on 15.12.39. The lessee does not appear to have actually started working the mine. But he has applied within a period of twenty days from the date of execution of the lease, for the transfer of the lease ~~granted to him~~ to Sri Dharamsey Mulraj Khatau of Bombay.

pp61-62 c/r of (V)

p9 c/r

The reason adduced for the transfer is that the lessee wants to work the mine on a large scale with up to date plants and machin and that for that ~~reason~~ this he wants to seek the co-operation of the proposed transferee Sri Dharamsey Khatau of Bombay. It is

he The real reason then by the transfer the lessee loses all his interest and he may no se able to realise his real intention. The lessee's Sudden proposal to transfer the mine seems therefore to be actuated by some valuable Consideration. The Collr of Bellary has not Commented ~~anything~~ on the genuineness of the lessee's proposal though he points out that the lessee instead of seeking the co operation of M/s Elasto Pervyara and Sons of Mamagra who originally promised to finance him, has sought the financial help of Sri Sharaonsey Khatau of Bombay.

There is no rule for rejecting an application for the transfer of a lease mine on the ground that the transfer is for some Though such a transfer is a burden to the industry. Consideration The conditions laid down in rule (45)-(A) for the transfer of leases are satisfied in the case of the proposed transferee. In the circumstances, the transfer proposal may be sanctioned.
